Request to be on the Agenda of New business for the Wheeler City Council
Meeting Feb. 20, 2023

As a private citizen, I've been offering a \$50 Reward for information leading to the arrest and conviction of the person/s who destroyed the South Wheeler City Sign on or about Dec. 6, 2023

I would like the city to match the reward and I'm even willing to raise my share to \$100 if the city will match it.
